

CERTIFICATE

SQ-9001AU6002

for a quality management system according to ISO 9001

The company

Walter Dreizler GmbH
Max-Planck-Str. 1-5, D-78549 Spaichingen

has introduced a management system for

the production of gas installations and appropriate equipment accessories

and applies this management system. Compliance with the following standards was confirmed in a certification procedure:

DIN EN ISO 9001:2000 (December 2000)
Quality management systems; requirements

The application of the management system was demonstrated in a recertification procedure for the quality management system based on the requirements of DIN EN ISO 9001:2000. The system is subject to annual surveillance.

This certificate expires on 8 April 2008

10.06.2005/SzA
